7.075 kW	\$0.63/watt	\$4,457
PPCSIP Rating (kW)	Incentive rate	Incentive total

Note: The incentive rate and total amount may change. The Program Administrator will confirm the incentive rate in the confirmation letter.

Terms and Conditions

By execution of this document, System Owner and Host Customer each certifies that the Project meets all Program eligibility requirements and that the System Owner and Host Customer agree to abide by the rules and requirements set forth in the CSIP Program Handbook. The undersigned declare under penalty of perjury under the laws of the State of California that 1) the information provided is true and correct, 2) the above-described generating system is new and intended to offset the Host Customer's electrical needs at the site of installation.

The Host Customer and System Owner are committed to completing this Project, and by signing below, are stating their intent to contract with any individual(s) necessary for completion of the Project. The Host Customer is the reservation holder and reserves the right to submit new project specifications.

Tax Liability

You are urged to consult your tax advisor concerning the taxability of rebates. CCSE and Pacific Power are not responsible for any taxes that may be imposed as a result of your receipt of this rebate.

I hereby consent to PacifiCorp's release of my customer information to the vendor chosen for administration of the California Solar Incentive Program to further my participation in such program.
